Subject:- Tender no. DGMC/19/2020:- "Design, Engineering, Manufacturing, Testing of Equipments, Delivery, Storage, Erection, Civil Works, Testing & Commissioning of 132/33 kV, 2X25/31.5 MVA Substation Dharampur, Distt. Mandi (H.P) along with LILO of 132 KV Bassi-Hamirpur Line on Turn Key basis (Complete Package)". **Amendment No. 1 in NIT and Evaluation and Qualifying Requirement.**

Dear Sirs,

In Context to above, The qualifying requirement for bidders against subject cited work for Joint Ventures is hereby amended in NIT and clause no 1.1.2 of "Section 3_ Evaluation & Qualifying Criteria" of Bid Document as under:

" In case Bid is submitted by Joint Venture (JV) of two or more firms as partners. Joint Ventures must comply the following minimum criteria:

1. All the partners of the Joint Venture must meet individually the financial criteria as under :
 - A) Each partner must meet 25% of the financial resources and average annual turnover.
 - B) Lead partner must meet 50 % of the financial resources and 40% average annual turnover.

(As detailed in Clause 2.3 of "Section-3_ Evaluation and Qualifying Criteria")

2. All the partners of the Joint Venture must meet individually the technical criteria as under (As per Clause 2.4 of Evaluation and qualifying Criteria):

- A). Each partner must meet 25% of the technical requirement.
- B).Lead partner must meet 50 % of the technical requirement.

(As detailed in Clause 2.4 of "Section-3_ Evaluation and Qualifying Criteria")

All other terms and conditions shall remain unchanged. This is for your kind information and further action please.

Yours Faithfully

General Manager (C&D)
